I've added a bullet to the talking points addressing the amicus brief that was filed Dec. 20. See if this meets your needs.

Joe,

During the Administrator's hearing prep session with OCSPP today, we discussed the need for an additional talking point on OCSPP's "Glyphosate and California Proposition 65" one-pager. *See* attached. Would it be possible to prepare a talking point on the glyphosate amicus brief issue? This concerns Monsanto's request that DOJ consider filing an amicus brief on their behalf in a 9th Circuit appeal of *Hardeman v. Monsanto*, also known as *In re Roundup Products Liability Litigation*. I don't have all of the details on how things shook out, as this was developing right when I went on leave.

Thank you,
Kamila
